## DECIDE YOURSELF

## The Opportunity Is Here, Backed by Barre Testimony.

Don't take our word for it. Don't depend on a stranger's statement.

Read Barre endorsement. Read the statements of Barre citizens. And decide for yourself.

Here is one case of it:— M. I. Spaulding, painter, 10 Seminary street, Barre, Vt., says: "I had more or less kidney trouble for four or five years and I think it was the result of the conditions to which I am subject as my work."

At night my back ached terribly and I could not sleep well. There were dark spots before my eyes at times and too frequent passages of the kidney excretions plainly proved that my kidneys were at fault. The contents of two boxes of Doan's Kidney Pills, procured at E. A. Brown's drug store, disposed of all these troubles, and I have only had to take this remedy once since then. At that time I found prompt relief from an attack of backache. I take pleasure at all times in vouching for the merits of Doan's Kidney Pills, and I gladly confirm the public statement I gave in their favor some three years ago."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
